Subject: Update on Dehesa School Parents' Club

Dear Dehesa Families,

The Dehesa School District is committed to supporting strong parent engagement and volunteerism. Recently, however, we discovered that the Dehesa School Parents' Club has not maintained its nonprofit status with the IRS and California Secretary of State. Because of this lapse, the District has temporarily suspended the Parents' Club's operations while we review the situation and determine the best path forward.

During this time:

- The District will directly coordinate parent volunteers and fundraising activities. Principal Hee-Jin Peterson will be the point of contact to coordinate these activities.
- Parents and staff will receive updates as needed on the status of the Parents' Club.
- All questions about this matter should be directed to the Superintendent's office.

We value the support and involvement of our families and will ensure that opportunities for parent participation continue without disruption. Thank you for your understanding and partnership as we work through this important compliance issue.

Respectfully,

Bradley Johnson
Superintendent
Dehesa School District
